

Gas and Hazardous Liquid Transmission Pipelines

Map 16

This map shows location of gas and hazardous liquid transmission pipelines under Pipeline and Hazardous Materials Safety Administration jurisdiction. All pipelines in Pondera County are NOT represented here. Pipelines on this map are from the National Pipeline Mapping System as part of the Department of Transportation. Spatial data (base maps) were obtained from the Montana Geographic Information Clearinghouse - Montana Natural Resource Information System.

This map was prepared June 2010 by Global Positions, LLC as part of the Pondera County Growth Policy Project.

MAP LEGEND
