

Pondera County

Tenure Land Ownership

Map 21

This map was prepared October 2010 by Global Positions, LLC as part of the Pondera County Growth Policy Project.

Land tenure is the name given in common law systems, to the legal regime in which land is owned by an individual, who is said to "hold" the land.

This map shows privately owned land in Pondera County color-coded on the basis of the ownership. Land tenure was derived from Montana Cadastral data based on the owner's mailing address. Montana Cadastral Framework is built primarily upon the measurement based cadastral reference of the Geographic Coordinate Database (GCDB) maintained by the BLM, with tax parcels as defined by the Dept. of Revenue.

Spatial data (base maps) were obtained from the Montana Geographic Information Clearinghouse - Montana Natural Resource Information System (NRIS).

Legend

Land Tenure - Ownership

- In-County
- In-State
- Out-of State
- Out-of Country
- Unknown
- Non-Private Parcel
